Out of a concern for health and safety and because of a commitment to reduce the risk and spread of novel coronavirus, Governor Ralph Northam declared a state of emergency in Virginia on Thursday, March 12 in response to COVID-19. In light of this action, we have decided to conduct the June 2020 Joint Board of Historic Resources and State Review Board Meeting and the separate Board of Historic Resources and State Review Board meetings using electronic communications in accord with Item 4-0.01.g. of Chapter 1283 (2020 Acts of Assembly), as the COVID-19 emergency makes it impracticable or unsafe to assemble in a single location. The purpose of the meetings is to discuss or transact the business statutorily required or necessary to continue operation of the Board of Historic Resources and the State Review Board and the discharge of their lawful purposes, duties, and responsibilities.

All Board members and staff will be participating remotely.

In the event there is an interruption in the broadcast of the meeting, please call (804) 482-6446.
